2. Listen and read out the lyrics of the song.

If I could (By Gabriel)

Everything's unfolding as it should
And I would be
More grateful if I could

If the world is an image in my mind
Then I can't complain
About what I find

Maybe I wanna be taller
Maybe I wanna be richer
But I guess
When all is said and done
I'm pretty happy with this picture

'Cause everything's unfolding as it should
And I would be
More grateful if I could

Oh, maybe I wanna be taller
Maybe I wanna be richer
But I guess
When all is said and done
I'm pretty happy with this picture

'Cause everything's unfolding as it should
And I would be
More grateful if I could
